

Operating Procedures

Prepared by the Pack 29
Committee

These By Laws have been approved by the
committee on April 30, 2010

1~Scope

The purpose of this document is to provide a single pack-level document that defines the operating procedures for Cub Scout Pack 29, Glen Avon. This document represents the best effort on the part of the Pack Committee and Leaders to provide an accurate representation of formal operating procedures of the pack, as established by historical tradition and by official vote of the Pack Committee.

Each adult leader who volunteers his/her time with Pack 29 shall be provided a copy of these procedures for reference purposes; in addition, parent / adult partners may download the document from the pack's website. The procedures are subject to change under the approval of the Pack Committee. For this reason, revisions of the procedures shall be tracked and provided within each section. Unless otherwise noted, the date of enactment of the policy is the date on the cover of this document.

Adult Leaders should treat this document as just another resource and refer to it for information about the way Pack 29 operates. If any discrepancy exists between this procedure and the policies of Boy Scouts of America (BSA), the BSA policies shall take precedence.

2~Affiliation & Membership

Pack 29 is considered a "community" Cub Scout pack by BSA definition and is part of the Mt Rubidoux District, California Inland Empire Council of the Boy Scouts of America, and is chartered by the VFW Post #10267 of Riverside. It is open to boys of all religious traditions and school enrollments (public, private, home schooled) from first through fifth grades, and encourages boys hailing from diverse cultural and linguistic backgrounds to join. Scouts and leaders who join Pack 29 must adhere to the scouting principles as defined by the Boy Scouts of America. Both men and women are encouraged to fulfill leadership roles in Pack 29 and are eligible for all leadership positions.

3~Pack Leadership

Pack Leadership roles are to be occupied by scouts' parent / adult partners, other adult family members, and/or members of our community. The emphasis on family involvement in the Cub Scouting program encourages the fulfillment of leader roles *by current scouts' family members whenever possible and appropriate*. Every year, we have new parent / adult partners who join our Pack and also those who move on to Boy Scouts; therefore, leaders are recruited on an ongoing basis.

3.1 Leadership Responsibility of All Pack Parent / adult partners / Adult Partners

Pack 29 expects every parent / adult partner / adult partner in the pack to volunteer every year that their scout is in Pack 29 for either a titled leadership position, or formally volunteer to actively serve to assist a person in a titled position.

4~Pack Committee

4.1 Overview, Responsibilities, and Voting Privileges

Like every Cub Scout Pack, Pack 29 is under the supervision of a Pack Committee. The Pack Committee handles the business and organizational aspects of the Pack and the Pack's scouting program. In Pack 29, the Pack Committee is comprised of the Executive Committee and all Den Leaders/Assistant Den Leaders. Every parent / adult partner in Pack 29 is automatically considered a member of the Pack Committee and is invited to attend all Pack Committee meetings and is encouraged / welcomed to cast a vote.

In order for any official voting to take place, a quorum must be established. To establish a quorum we must have a minimum of half the filled titled positions plus one in attendance.

The Pack Committee meets monthly, and its business is documented in writing with meeting minutes that are voted on for acceptance/revision at the following monthly meeting. All Pack Committee meetings are open to the entire pack; it is our Pack's policy that anyone may speak at the meetings and should contact the Committee Chairperson, if possible, three days in advance to be put on the agenda. The Pack

Committee uses a democratic leadership model, with each adult present at a meeting – *Committee member or parent / adult partner of a scout in the Pack* – is able to cast a vote on key issues in Pack decision-making. No votes by proxy are permitted; therefore, everyone interested is expected to attend the monthly Pack Committee meeting. The Committee as a whole is required to do the following:

- establish and vote on the Pack budget on at least an annual basis, more often if necessary;
- establish and vote on the Pack calendar on at least an annual basis (i.e., at the Annual Planning Conference in late spring), more often if necessary;
- review and vote on the Treasurer's Reports at each regular Pack Committee meeting;
- review and vote on the prior Committee Meeting Minutes at each regular Pack Committee meeting;
- vote on all Pack financial transactions exceeding or not included in the annual budget, with the exception that in the event of an emergency expense between meetings, an affirmative vote of three titled Committee position members along with approval of the Committee Chairperson can be used to approve the emergency transaction;
- vote on any and all changes on prior established calendar dates for pack events/meetings (not den meetings/events), either at a regular or an emergency Committee meeting;
- vote on all pack event locations and intended programs to be conducted at these pack events, assuring that appropriate permits are obtained and BSA policies are followed at each event;
- vote and recommend the Cubmaster and Assistant Cubmaster(s) to the Chartering Organization annually;
- vote and recommend the Committee Chairperson to the Chartering Organization annually;
- Address any additional Pack-level business items as necessary.

Distinguishing between leadership roles:

- The Cubmaster, the Assistant Cubmaster(s), and Den Leaders are responsible for developing and delivering the Scouting Program. They are also responsible for advising the Pack Committee.
- The Committee Chairperson, Members and parent / adult partner volunteers are responsible for providing the Pack with the necessary support and means (financial, material, and physical) to allow the Cubmaster, the Assistant Cubmaster(s), and Den Leaders to focus on the program, rather than on the business of the Pack.

The entire Pack Committee must always base their decisions on the available resources of the Pack and the policies of the BSA, making sound decisions that are always in the best interest of the Pack as a whole.

4.1.2 Executive Committee

The Executive Committee is comprised of the Committee Chair, Cubmaster, Assistant Cubmaster, Treasurer, Secretary, Advancement Coordinator, Pack Training, Recruiter, Pack Outings Chair, Public Relations Chair, Quartermaster and the Fundraising Chair.

The Executive Committee will call meetings as needs arise to discuss any Pack 29 Financial business that is not part of the annual budget.

5~Pack Finances

5.1 Budgeting

The Treasurer, with advisement from the Pack Committee, shall prepare the annual budget for the upcoming scouting year based on the results of the Annual Planning Conference (held in late spring) and shall present the budget to the Pack Committee for a vote. The Pack Committee shall review the proposal and establish the annual budget prior to September of each scouting year. Any deviations from this budget plan throughout the year shall also require approval by the Pack Committee.

5.2 Collection of Pack Funds

All pack designated money is to be turned into the Pack Treasurer directly and remains the responsibility of the person(s) handling the money until that time. Money can be turned in at Pack Meetings, Committee Meetings, or by setting up an appointment with the Treasurer.

5.3 Checks

Checks provided to the Pack shall be made out to Pack 29. In addition, the number of the Den along with a brief description of what the check is for should be written on the check. For the protection of the treasurer and all persons handling cash or checks processed through the Pack, a receipt for your transaction will be available on request.

5.4 Cash

When handling cash, the Treasurer should be notified and arrangements immediately made for the collection of this cash by the Treasurer. The cash is to be counted in the presence of the Treasurer and the person(s) handing over the money to avoid any later disputes. Persons, who pay in cash, will receive a receipt for the transaction at the time of payment.

5.5 Check Requests and Reimbursements

The Pack Committee must approve all Pack expenditures either within the budget or by special vote before any checks can be disbursed. All requests for Pack expenditures should be on the approved check request form and approved prior to submitting to the Treasurer. Reimbursements for Pack expenditures will be made upon presentation of an itemized bill or receipt. Pack checks shall require two (2) authorized signatures to be valid. Authorized signers will be the Treasurer, Cubmaster and Advancement Chairperson. Each approved signer will be required to register his/her signature with the Pack's bank. Only authorized account users may purchase items at the Council store in the name of Pack 29, and all purchases must be documented with receipts and turned in to the Treasurer for accounting.

5.6 Emergency Expenses

In the event of an emergency expense between meetings, an affirmative vote of three Committee members along with approval of the Committee Chairperson can be used to approve the emergency transaction. At the Committee Meeting immediately following the exercise of this clause, the Committee shall review the expense and make appropriate budget adjustments, if necessary. An emergency situation is defined as a scenario where funds are needed for a Pack event/activity and the expense incurred by the event/activity will occur before the next Committee Meeting where an official vote can be taken. These scenarios should be kept to a minimum.

5.7 Treasurer's Report

The Treasurer shall produce a report for the monthly Pack Committee Meeting that details the financial condition of the Pack. As a minimum, the report shall include a listing of all expenditures for the previous month, all income from the previous month, and a summary of how the Pack is doing against its approved budget. An annual audit will be performed within four (4) weeks or August 1 of the end of our scouting year. A scouting year has been designated as July 1 to June 30. The auditor will be determined at the time of the audit.

5.8 Treasurer's Absence or Replacement

The fees shall include the council fees, re-chartering, insurance, pack dues, and Boys Life (as an option). New scouts will be expected to pay a prorated amount for Council fees and insurance. Pack Dues will be due and payable no later than the September pack meeting.

5.10 Refunds

Scouts who leave the pack during the scouting year, for any reason other than transfer to other pack or troop, are not eligible for a refund, in full or part, of any fees or dues paid, or to a refund of fundraising revenue generated by the scout. The reason for this policy is that we budget for the entire year based on our number of scouts, and to give refunds would require recalculation of the annual budget on a constant basis and would be disruptive to our scouting program.

In the event of a refund request for monies paid for an event, a refund will be issued *only* if the Pack will not incur a financial loss as a result of the refund. For example, if a scout decides not to go to summer camp and has paid a deposit, a refund will be issued only if someone can be found to take his spot.

5.11 Den Dues

Den leaders are not expected to fund the scouting program at the den level; all members of the den should share equally in this responsibility. Dens may charge additional den dues to their scouts, with a recommendation that it not exceed \$5 per scout per month. Den dues are to be used to support den level activities and are paid directly to the den leader. Typical expenses include project supplies, admission for field trips, snacks, and consumable items that must be replenished. Den leaders do not need to turn in any reports to the Pack Committee regarding the collection or disbursement of such monies. Den leaders should provide receipts to scouts/parent / adult partners if requested to do so. If a den wishes to purchase item(s) which exceed the amount of den dues, it is encouraged that they talk to other leaders and the Pack Committee to see if they can share the expense or if the pack may wish to fund the expenditure with the condition that the material(s) be made available to all dens for use (example, leather working tools, power tools, etc.)

5.12 Fundraising Requirements and Rules

All families and dens in the pack will be expected to participate in the Annual BSA Popcorn Sale. The Pack will provide opportunities for scouts to sell popcorn in a variety of venues and methods to assist families in reaching their sales goals.

As per BSA policy, Pack 29 will not engage in any additional fundraisers unless the Popcorn Sale has been completed. All additional fundraisers will require Form #34427 (Unit money-earning application) to be filed and approved with our Account Executive at Council no later than two weeks prior to the event regardless of the amount projected to earn.

When sponsoring pack/den events, event coordinators may request donations of goods or services from local businesses to help defray costs. Donors should be provided with a letter, on a Pack letterhead, stating the item/amount requested, the name of the event, and the event date; such letters should be requested from the Committee Chairperson and be signed (or cosigned) by the Committee Chairperson. A donation form must be made and turned in to the Treasurer for records, and also retained in the event file. A thank you letter or receipt should be provided to each donor following the donation by the Pack Secretary. Pack 29 will be using the VFW's tax ID number for all donation requests and receipts. No solicitation of donations will be made without the prior authorization of the Charter Organization Representative and Committee Chairpersons approval. These letters will not be duplicated.

5.13 Financial Assistance or Sponsorships

The Pack Committee Chairperson, in consultation with the Treasurer and a scout's Den Leader, may choose to provide financial assistance from pack funds to scouts/families in need. These expenditures will be deliberated in private to protect the identity of the assisted parties, and may not exceed the total dollar figure in the annual budget for financial assistance. The amount of assistance provided will be reported to the Pack Committee on the next monthly treasurer's report, with a notation of the reason for the expense (campership assistance, dues waived, etc.)

5.14 Adult Leader Training Fees

The Pack shall prepay any Den Leader and one Assistant Den Leader in Pack 29 for Cub Scout-required and Pack 29 mandated Training fees. The Pack will pay for the training prior to attendance, once he/she attends the training, they are required to report to the Pack Treasurer and Trainer their certificate of completion. Should you not complete the training; your scout account will be debited the amount equal to the training cost.

5.14.1 Reimbursement for Adult Advanced Training Fees

Wood Badge and Megaversity are not considered a reimbursable training through Pack 29.

5.15 Re-Charting – Scout and Adult Leader

Re-charting is the Pack paying the registration fees for both the scout and the Adult Leader. Each scout will be responsible to pay the chartered amount no later than the September Pack meeting. The Pack shall cover all costs related to annual re-charting and BSA applications for registered Adult Leaders. Each leader must have completed the *minimum* official BSA training for the specific position. Including but not limited to the Cub Specific for their position, Youth Protection, Fast Start and Hazardous Weather.

Scouts that have not paid their re-charter dues and not made arrangements with the Committee Chairperson or Pack Treasurer will be suspended from the re-charter process and den/pack activities as of October 31st. Any families that are financially struggling may request Financial Assistance from the Pack. The Committee Chairperson, Treasurer and Den Leader will deliberate in private to protect the identity of the assisted parties, any one assistance grant may not exceed the total dollar figure in the annual budget for financial assistance. The amount of assistance provided will be reported to the Pack Committee on the next monthly treasurer's report, with a notation of the reason for the expense (campership assistance, dues waived, etc.)

6~Recruiting

New scouts will be recruited en masse only at the elementary schools assigned to Pack 29 by the Council. Flyers will be ordered from the Council, approved by the school district, and distributed directly to the schools by the Recruiter or his/her designee(s). Additionally, a scout may create his own recruitment materials and distribute them, or distribute the official pack flyer, *individually to boys he knows at any school*. It is very important that the Pack respect the school assignments set out by Council and not recruit at other "pack's schools," unless the recruitment is being done "scout-to-scout" as outlined above. Anyone who comes into knowledge of a new pack within our District is obligated to inform the Committee Chairperson and the Recruiter.

8.7 Den Activity Patches

Den Leaders are encouraged to include their Den in various activities throughout the year. There are several companies that manufacture patches that can be used as an incentive and remembrance of the activity. The cost of most patches for den activities, with the exception of Tiger Go See Its, will not be paid for by the Pack.

8.8 Perfect Attendance Awards

The Den Leader shall recognize scouts with perfect attendance throughout the scout year from September 1 through June's Bridging Event. Perfect attendance is defined as a scout attending all den meetings/outings each month, the monthly Pack-sponsored event/outing, and the monthly Pack Meeting, *with no more than two excused absences from all activities above throughout the scouting year.* The Den Leader has the discretion of how to interpret what is considered an excused absence for the application of attendance. The Perfect Attendance Award shall be paid for by the Den and tracked by the Den Leader. Summertime events will count toward the Summertime Activities Pin, not the Perfect Attendance Award.

8.9 Religious Awards

As part of the BSA, we encourage all scouts to do their duty to God. Therefore, we support scouts pursuing the religious emblem for their faith. The Pack will pay for one uniform knot and one device for each scout, and for one uniform knot for any leader who serves as a mentor (eligibility defined by denomination; consult your emblem regulations). *Parent / adult partners will be asked to pay for the scout and mentor workbook(s), since these materials are consumable and cannot be reused; as well as the medal pin available per religion.* Religious awards are to be presented at a pack meeting with appropriate attention, and may also be presented at the church to which the scout is affiliated.

8.10 Family Awards

The Family Award will be awarded to each family that completes each section. One pin and one patch will be issued at the pack expense per family and one certificate upon completion of the program.

8.11 Patrol Patches

Patrol patches are to be paid for by the 1st year Webelos scouts and are chosen at the den level; arrangements for obtaining and paying for these patches is the responsibility of the Den Leader.

9~Den Operation Policies

9.1 Parent / adult partner participation

Den Leaders should encourage participation of the scout's parent / adult partners in any and all Den and Pack related events. Pack 29 will not succeed without the participation of parent / adult partners and we support the BSA's National Parent / adult partner Initiative. This initiative has been designed to increase youth and parent / adult partner recruitment, retention, advancement, participation, dedication, and a passion for Scouting. Pack 29 expects the parent / adult partners (guardians) for each child to:

- Participate with them
- Go to and observe the meetings
- Be Part of their unit's Program – both meetings and outings
- Support the Program financially
- Coach them on their advancement and earnings of recognition awards
- Help in at least one support role during the year

Parent / adult partner involvement may be mandatory as a condition for enrollment in the Pack, and/or to participate in Pack or Den sponsored events.

9.2 Scout Records

Each Den Leader shall be responsible for maintaining the records of each and every scout who is a member of that Den. These records are to be maintained in Scout Track for ease of communication with the Advancement Coordinator and the Committee. Upon bridging the scouts to Boy Scouts or a Scout leaving the pack for any reason, the records in Scout Track will be printed and kept with the Pack's copy of the application for three years for reference.

Den Leaders should NOT delete scouts from Scout Track; instead, they should contact the Committee Chairperson to have the scout placed in Inactive status in Scout Track.

9.3 Medical Consent Form

Every parent / adult partner/guardian for each scout must fill out two copies of the Pack 29 Medical Consent Form and turn them in at the September pack meeting. All BSA policies must be followed with regard to the level of medical examination required (Class I, II, or III) and it is the responsibility of the parent / adult partner to obtain the proper paperwork and to submit it on time. The Outings Chairperson will have a binder with one copy of the Medical Consent Form and the Den Leader will have the other.

No scout without a medical consent form on file for the current scouting year will be permitted to participate in a den or pack event, *even if the parent / adult partner is present at the event*. The Pack must have these forms in order to safeguard every child in the pack and to be aware of and prepare for medical situations that might arise.

9.4 First Aid Kits

Every den leader in Pack 29 is provided with an equipped Den First Aid Kit that is to be taken on all den outings and to all den meetings. If items need replenishment, they will be provided by the pack or the leader may request reimbursement for costs. The Pack First Aid Kit will be taken on all pack outings and is to be accessible to any person in need at any time. A log will be provided to each Den Leader and the Outings Chair to log all incidents i.e.. (scrapes, cuts)

9.5 Permission Slips

The Den Leader shall secure a permission slip from the parent / adult partner/guardian of each scout prior to any and all Den/Pack related field trips and campouts.

9.6 Safety Procedures

Den and Pack Meetings should be treated as a safe haven for the scouts. Therefore, Den Leaders shall strive to maintain a safe place to conduct meetings. Play areas are to be inspected to ensure hazards are removed. In addition, Den Leaders are expected to discourage name-calling or any other activity that may result in a scout feeling less than welcome.

9.7 Tour Permits

Pack 29 shall comply with BSA regulations with regard to obtaining tour permits for all Den and Pack activities. The tour permit is the Council's official means for sanctioning a scout event/activity. This official sanctioning is necessary for proper insurance coverage. From the Scout Leader Handbook, "most Den meetings in and around town do NOT require a tour permit". For the purposes of Pack 29, "around town" is defined as Sky Country, Glen Avon, Mira Loma, Jurupa and Riverside. Tour permits are required for any and all swimming, pool and beach related events.

However, it should be made known that many BSA leaders believe that a tour permit is needed for any trip other than to the established weekly meeting place even if it's right across the street from the normal meeting place. It is always safer to fill one out than be sorry about not having filled one out later. Tour Permits will only be accepted and signed provided the event is at least two (2) weeks out.

The Pack Outings Chair will be responsible for obtaining a tour permit for the Pack-related events. All other events are the responsibility of the Den Leader.

10~BSA Youth Protection Policies

The Boy Scouts of America has adopted a number of policies aimed at eliminating opportunities for abuse within the Scouting program. These policies focus on leadership selection and on placing barriers

to abuse within the program. **As a unit member of the Boy Scouts of America, Pack 29 recognizes and will follow the policies and procedures for youth protection in scouting.**

10.1 Leadership

The Boy Scouts of America takes great pride in the quality of our adult leadership. Being a leader in the BSA is a privilege, not a right. The quality of the program and the safety of our youth members calls for high-quality adult leaders. We work closely with our chartered organizations to help recruit the best possible leaders for their units.

The adult application requests background information that should be checked by the unit committee or the chartered organization before accepting an applicant for unit leadership. While no current screening techniques exist that can identify every potential child predator, we can reduce the risk of accepting a child predator by learning all we can about an applicant for a leadership position—his or her experience with children, why he or she wants to be a Scout leader, and what discipline techniques he or she would use. Social Security must be submitted.

10.2 Barriers to Abuse Within Scouting

The BSA has adopted the following policies to provide additional security for our members. These policies are primarily for the protection of our youth members; however, they also serve to protect our adult leaders from false accusations of abuse.

Note: Bold type denotes rules and policies.

- **Two-deep leadership.** Two registered adult leaders, are required on all trips and outings. The chartered organization is responsible for ensuring that sufficient leadership is provided for all activities.
- **No one-on-one contact.** One-on-one contact between adults and youth members is not permitted. In situations that require personal conferences, such as a Scoutmaster's conference, the meeting is to be conducted in view of other adults and youths.
- **Respect of privacy.** Adult leaders must respect the privacy of youth members in situations such as changing clothes and taking showers at camp, and intrude only to the extent that health and safety require. Adults must protect their own privacy in similar situations.
- **Separate accommodations.** When camping, no youth is permitted to sleep in the tent of an adult other than his own parent / adult partner or guardian. Councils are strongly encouraged to have separate shower and latrine facilities for females. When separate facilities are not available, separate times for male and female use should be scheduled and posted for showers.
- **Proper preparation for high-adventure activities.** Activities with elements of risk should never be undertaken without proper preparation, equipment, clothing, supervision, and safety measures.
- **No secret organizations.** The Boy Scouts of America does not recognize any secret organizations as part of its program. All aspects of the Scouting program are open to observation by parent / adult partners and leaders.
- **Appropriate attire.** Proper clothing for activities is required. For example, skinny-dipping is not appropriate as part of Scouting.
- **Constructive discipline.** Discipline used in Scouting should be constructive and reflect Scouting's values. Corporal punishment is never permitted.
- **Hazing prohibited.** Physical hazing and initiations are prohibited and may not be included as part of any Scouting activity.

- **Junior leader training and supervision.** Adult leaders must monitor and guide the leadership techniques used by junior leaders and ensure that BSA policies are followed.

10.3 Reporting

How an adult responds to a child when he tries to disclose abuse can influence the outcome of the child's victimization. By maintaining an apparent / adult partner calm, the adult can help reassure the child that everything is going to be okay. By not criticizing the child, we counteract any statements the molester made to the victim about the child getting into trouble. Reassure the child that you are concerned about what happened to him and that you would like to get him some help. **Allegations by a Scout concerning abuse in the program must be reported to the Scout executive.** Since these reports are required, the child should be told that you have to tell the proper authorities but that you will not tell anyone else. It is important that you not tell anyone other than the Scout executive or the child protective services agency about allegations of abuse—if the allegations cannot be substantiated, you could be sued for defamation of character.

10.4 Youth Member Behavior Guidelines

The Boy Scouts of America is a values-based youth development organization that helps young people learn positive attributes of character, citizenship, and personal fitness. The BSA has the expectation that all participants in the Scouting program will relate to each other in accord with the principles embodied in the Scout Oath and Law.

One of the developmental tasks of childhood is to learn appropriate behavior. Children are not born with an innate sense of propriety and they need guidance and direction. The example set by positive adult role models is a powerful tool for shaping behavior and a tool that is stressed in Scouting. Misbehavior by a single youth member in a Scouting unit may constitute a threat to the safety of the individual who misbehaves as well as to the safety or continued membership of other unit members. Such misbehavior constitutes an unreasonable burden on a Scout unit and cannot be ignored.

10.5 Member Responsibilities

All members of the Boy Scouts of America are expected to conduct themselves in accordance with the principles set forth in the Scout Oath and Law. Physical violence, hazing, bullying, theft, verbal insults, drugs and alcohol or other recurrent behavioral problems that affect other scouts and their participation in the scouting program may result in the revocation of a Scout's membership in the unit. None of these actions will be permitted while in the approved Scouting uniforms.

If confronted by threats of violence or other forms of bullying from other youth members, Scouts should seek immediate help from their unit leaders or parent / adult partners.

10.6 Unit Responsibilities

Adult leaders of scouting units are responsible for monitoring the behavior of youth members and interceding when necessary. Parent / adult partners of youth members who misbehave should be informed and asked for assistance in dealing with it. The BSA does not permit the use of corporal punishment by unit leaders when disciplining youth members.

The unit committee should review repetitive or serious incidents of misbehavior in consultation with the parent / adult partners of the child to determine a course of corrective action including possible revocation of the youth's membership in the unit.

Membership revocation shall be considered a serious issue, and the scout shall be entitled to review by a four-person committee consisting of the Committee Chairperson, Cubmaster, scout's Den Leader, and the Unit Commissioner prior to the revoking of membership. When a unit revokes a Scout's membership, it should promptly notify the Council of the action. Scouts may appeal a decision at the pack level to the District Executive for consideration for a transfer to another pack.

The unit should inform the Scout executive immediately about all incidents that result in a physical injury or involve allegations of sexual misconduct by a youth member with another youth member.

10.7 Leadership Requirements for Trips and Outings

1. Two-deep leadership: Two registered adult leaders are required for all trips or outings. Coed overnight activities require male and female adult leaders, both of whom must be 21 years of age or older, and one of whom must be a registered member of the BSA.
2. During transportation to and from planned Scout outings,
 - A. Meet for departure at a designated area.
 - B. Prearrange a schedule for periodic checkpoint stops as a group.
 - C. Plan a daily destination point.
 - D. A common departure site and a daily destination point are a must. If you cannot provide two adults for each vehicle, the minimum required is one adult and two or more youth members—*never one on one.*
3. Safety rule of four: No fewer than four individuals (always with the minimum of two adults) go on any backcountry expedition or campout. If an accident occurs, one person stays with the injured, and two go for help. Additional adult leadership requirements must reflect an awareness of such factors as size and skill level of the group, anticipated environmental conditions, and overall degree of challenge.
4. Male and female leaders must have separate sleeping facilities. Married couples may share the same quarters if appropriate facilities are available.
5. Male and female youth participants will not share the same sleeping facility.
6. Single-room or dormitory-type accommodations for Scouting units: Adults and youth of the same gender may occupy dormitory or single-room accommodations, provided there is a minimum of two adults and four youth. A minimum of one of the adults is required to be youth-protection trained. Adults must establish separation barriers or privacy zones such as a temporary blanket or sheet walls in order to keep their sleeping area and dressing area separated from the youth area.
7. When staying in tents, no youth will stay in the tent of an adult other than his or her parent / adult partner or guardian.
8. If separate shower and latrine facilities are not available, separate times for male and female use should be scheduled and posted for showers. The buddy system should be used for latrines by having one person wait outside the entrance, or provide Occupied and Unoccupied signs and/or inside door latches. Adult leaders need to respect the privacy of youth members in situations where the youth are changing clothes or taking showers, and intrude only to the extent that health and safety require. Adults also need to protect their own privacy in similar situations.

11~Pack 29 Event Guidelines

The guidelines below are provided as highlights to the aims and requirements of the BSA for Cub Scout units; in all cases all BSA policies regarding tour permits, leadership presence and training, and youth protection will apply and must be followed.

11.1 Outdoor Activities

Pack 29 will strive to provide each scout with at least one outdoor activity per month at the den and/or pack level, in accordance with BSA's Quality Unit guidelines.

11.2 Shooting Sports

No shooting sports events are to be held at the pack or den level as per BSA regulations; scouts may only engage in shooting sports at Council-approved functions, with appropriate parent / adult partner permission.

11.3 Den Campouts

As per BSA policy, Tigers, Wolves, and Bears are prohibited from holding official den overnight campouts. Webelos scout dens are encouraged to participate in overnight campouts as a den and at

Webelos Woods and other District or Council sponsored campouts. However, family camping is permitted.

11.4 Leadership Requirements for Overnight Camping

All overnights engaged in at the den and/or pack level will require the presence of a BALOO-trained adult (parent / adult partner or leader). An adult male will be required to be present on all overnights in the event of a scout having medical or personal emergency where female assistance would be inappropriate.

Tiger, Wolf, and Bear scouts must be accompanied by a parent / adult partner or guardian on all overnight pack campouts. Webelos scouts may attend provided they are supervised by a designated adult in no greater than a 4 Webelos to 1 adult ratio. If a Webelos scout attends without a parent / adult partner/guardian, a permission slip for the campout is required in addition to the medical release. Webelos scouts who are attending without a parent / adult partner/guardian must sleep in a tent separately from all other adults to comply with Youth Protection regulations (they may share a tent with other Webelos scouts).

11.5 Aquatic Activities

All official aquatic activities at the den or pack level, including “pool parties” and beach trips that will involve swimming, will require a properly trained leader certified in either Safe Swim or Safety Afloat training and they must adhere to the BSA guidelines and policies. Tour permits must be filed for any aquatic activity, even if it is held within our immediate local area, due to the potential for accident/injury. Leaders are cautioned about taking scouts on non-BSA affiliated boating trips, as many commercial businesses do not meet BSA requirements for aquatic activities, and all participants would be required to demonstrate the required level of proficiency on the BSA swim test prior to participating in a boating event. Leaders should check with Council before making arrangements for any non-BSA sponsored official aquatic activities or trips.

11.6 Arrow of Light Ceremony and Bridging to Boy Scouts

While these activities are aimed at our 2nd year Webelos scouts, the Pack Committee recognizes that they are vital to the encouragement of younger scouts to continue on in scouting. For this reason, the Pack 29 Arrow of Light Ceremony and Bridging to Boy Scouts event are to be considered official Pack-Level events, and must be scheduled and approved by the Pack Committee with respect to the location, date, and budget and should be advertised to the entire pack, encouraging their attendance.

The advancement award specific to the Arrow of Light will be purchase by the Advancement Coordinator and paid for by the pack.

An engraved plaque for the Arrow of Light ceremony will be paid for by the pack.

For scouts that receive the Super achiever, the pack will pay for the certificate and patch upon completion of the 20 pins and present at the arrow of light ceremony.

11.7 Sibling Participation at Events

Pack 29's focus is first and foremost on its scouts. However, Cub Scouting is a family program and we encourage the attendance of any family member at an event where family beyond the parent / adult partner-scout pair is permitted (exceptions to this include summer camps or other events that have a strict “no sibling” policy).

Siblings who attend Pack 29 events and participate in them may be kept separate from scout groups, and may not be provided with the same program, activities, or rewards as scouts. Siblings will not compete against scouts in events such as Raingutter Regatta or Pinewood Derby (although there may be races held for a family class at the discretion of the event organizers, exclusively for siblings); siblings will not be provided with patches, trophies, or ribbons for their participation at any events, unless otherwise approved.

Whenever limited resources are present, scouts will be given priority over all other persons in attendance.

11.8 The Annual Planning Conference Role in Planning Pack Events

Each spring, the Pack Committee will hold its Annual Planning Conference to schedule events for the upcoming scouting year, which begins immediately after the current year's bridging ceremony. The Pack has traditionally scheduled one Pack Event per month during the regular scouting year (September – bridging), in addition to the monthly pack meeting.

Historically, Pack Events that are held each year include the Cub Scout Recruiting, Raingutter Regatta, Scouting for Food Drive, Christmas Caroling, Blue & Gold Banquet in February to celebrate the anniversary of Cub Scouting, Arrow of Light with Bridging to Boy Scouts, Pinewood Derby, Mt. Rubidoux Clean up, Bridging / Graduation Ceremony in June, and 4th of July parade. This list is provided here only as information; these events must be voted on annually and placed on the calendar; additional events are included to reach the total of one event per month.

11.9 Summertime Activities

Pack 29 shall strive to be a recipient of the National Summertime Pack Award each year. To achieve this goal, the Pack shall schedule and offer at least one activity per month in the summer to all scouts. Historically, we offer two activities per month if possible so that scouts who may miss one event still have a chance to earn the Summertime Activities Pin by attending the second event.

11.10 National Summertime Award Pin

As per BSA regulations, scouts who attend a minimum of one pack event per month (June, July, August) in summer qualify for the National Summertime Award Pin, which shall be awarded and paid for by the pack.

11.11 National Summertime Den Award

As per BSA regulations, to qualify for the National Summertime Den Award dens must have at least 50% of their scouts earn the National Summertime Award Pin. Den leaders are responsible for maintaining these records regarding summertime activity attendance and pin recognition and submitting them in Scout Track in order for the Den Award to be received. The Pack shall pay for this award (a ribbon for den flag).

11.12 Pack Meetings

Pack Meetings are to be held one time monthly. Pack 29 holds the meetings on the 4th Tuesday of every month with the exception of November which is held the 1st Tuesday in December and not other meeting is held in December. The Cubmaster and Assistant Cubmaster(s) will be in charge of planning and conducting the Pack Meeting. Each Den Leader is responsible for his/her den or any scouts that are being disruptive as well as any assigned duties.

12~Quality Unit Designation

Pack 29 shall strive each year to fulfill the BSA requirements for Quality Unit. If received, all scouts in the unit shall be eligible to wear the Quality Unit patch since it is a unit designation, not a scout-level award. Specifically, new scouts who enter the pack may wear the Quality Unit patch for the preceding scouting year, if it is *awarded* while the new scout is a unit member (Quality Unit generally runs one year behind the current scouting year). The same policy applies to unit leaders.

Each member titled member of the committee as well as all Den Leaders are required to receive a copy of these By Laws. Please sign that you have received your copy of the approved By Laws. Access to these By Laws electronically (internet or email) is considered acceptable. Signature copies will be kept with the Leader application copies.
