

# Cub Scout Pack 29 Newsletter

## We Need Parents for Leader Positions

**Recruiter:** Organize and run the annual recruitment events. Respond to and answer questions for potential future Scouts and their parents. Spanish speaker would be helpful but not necessary.

**Pack Trainer:** Assist new Den Leaders with initial training and provide existing Leaders with training. Track all the Pack's training and make sure Scouts are being provided well trained leaders.

**Pack Committee Chair:** Is the operating officer of the Pack, works with the charter organization and the Cubmaster to ensure the Pack is operating smoothly. This person is responsible for managing and overseeing: pack records; finances; other committees, represents the Pack for business, gives guidance to the Committee, a bunch of other stuff.

**Fundraising Chairperson:** The lead person on all the Pack's Fundraising activities.

**Scrip Coordinator:** Manages the Scrip Fundraising gift card program.

**Contact Cub Master Dina or Dawn for more info.**

## Charter Reminder

You can still pay for your annual charter (pack membership dues) tonight. Remember this is what supports the pack and pays for Scouts advancements pack activities.

## Christmas Caroling

We will be posting all the words to the Christmas caroling songs on the website so your Den's will have time to practice singing. Print out the songs and bring with you for Caroling day.

## Jokes

### What if Dr. Seuss Wrote Computer Manuals?

If a packet hits a pocket on a socket on a port,  
And the bus is interrupted as a very last resort,  
And the address of the memory makes your floppy disk abort, Then  
the socket packet pocket has an error to report!

If your cursor finds a menu item followed by a dash,  
And the double-clicking icons put your window in the trash, And  
your data is corrupted 'cause the index doesn't hash, Then your  
situation's hopeless, and your system's gonna crash!

If the label on your cable on the gable at your house,  
Says the network is connected to the button on your mouse,  
But your packets want to tunnel to another protocol,  
That's repeatedly rejected by the printer down the hall.

And your screen is all distorted by the side effects of gauss, So  
your icons in the window are as wavy as a souse,  
Then you may as well reboot and go out with a bang,  
'Cause as sure as I'm a poet, the sucker's gonna hang!

When the copy of your floppy's getting sloppy on the disk,  
And the microcode instructions cause unnecessary RISC,  
Then you have to flash your memory and you'll want to RAM your ROM,  
Quickly turn off your computer and be sure to tell your mom!
