Jokes

A little girl goes to see the doctor. She's got a pea in one nostril, a grape in the other, and a string bean stuck in her ear. She says to the doctor, "I don't feel good."

The doctor replies, "The problem is clear to me. You're not eating right!"

Q: Why did the banana go to the Dr?

A: Because it was not peeling well

Q: What do you call a boomerang that doesn't come back?

A: A stick

Q: Where should a 500 pound alien go?

A: On a diet
